

Job title: **Plant Worker/Machine Operator**

Job location: 702 West Main Street, Auburn, Washington, 98001

Job type: Full-time

Experience: Entry or Mid-level

Salary: \$49,300 - \$61,600 per year

Job Description:

49K – 61K DOE, Union job, Most competitive benefit package in the industry

Looking for entry level, mid-level or experienced Plant Workers. Will execute general plant related jobs around the facility. Will learn to operate machinery, work on case-packers, possibly drive forklifts amongst many other duties. Want reliable and prompt individuals.

We're willing to train in every aspect of the job, but we're looking for folks that want a stable work situation with a stable company. Individuals with a long-term vision would fit in well here.

Shifts available – Swing or Graveyard
